Dear Hal:

Thank you for your memo of 24 June 1970 commenting on the Draft Final Report of the Ad Hoc Committee on the Coordination of Social Science Research.

I am pleased to have the CIA's concurrence in the Report and to state for the record that it is also my understanding that the responsibilities of the proposed Interdepartmental Group for Foreign Affairs Research will have no bearing upon the continuance of the contract research responsibilities of the Economic Intelligence Committee of the USIB as detailed in that portion of paragraph 3-a-(3) of DCID 3/1 quoted in your memorandum. When the new Interdepartmental Group comes into existence we would be happy to review any matters of mutual concern with appropriate representatives of the EIC.

Sincerely yours,

Ray S. Oline
